For more information and to book on to any of these tasks, please contact Lauren Holt, Ranger Volunteer Coordinator on 01761 462338 or email lauren@mendiphillsaonb.org.uk. Places may be limited. Please provide at least 24 hours' notice if you would like to join the task.

Apart from the walling sessions, no previous experience is required – just a desire to get stuck in and be outdoors in varying weather! Please wear suitable stout footwear and clothing for being outdoors all day, a packed lunch and plenty of water to drink. We will provide the tools, instructions, biscuits and a hot drink!
